

Option D - STRAIGHT LIFE ANNUITY

PART I - GENERAL INFORMATION AND INSTRUCTIONS - PLEASE READ CAREFULLY

Option D - Straight Life Annuity. This option provides you with the highest monthly benefit for your lifetime. **However, all payments stop at your death.** This means that if you are married, no pension benefit will be paid to your spouse after your death. Please think carefully about choosing this option if you are married.

If you have been married for at least one year prior to the commencement of your retirement benefits, a spouse waiver of survivor benefits (Form CO-1205) will be required if you do not provide a lifetime guarantee (50% or 100% option) for that spouse. Thus, if you are married for at least one year prior to retirement, you cannot elect Option D unless your spouse executes Form CO-1205. There are no health or life insurance benefits connected to a MERS retirement benefit.

Social Security Reduction If your employer is covered by Social Security, your retirement benefit is reduced when you are eligible for social security (age 62) or earlier if you receive a Social Security disability benefit. You have a duty to notify MERS if you receive a Social Security Award prior to the age of 62.

Print or type this form and give to your employer. Have your employer make and keep one copy and forward the original with your retirement application to: MERS Unit, Retirement Services Division, 55 Elm Street, Hartford, CT 06106. If you are married, an executed CO-1205 must accompany this election form. If you are single or have been married less than one year, an executed CO-1206 (Certification of Marital Status) must accompany this form. Keep one copy of all documents for your records.
